Reopening for Term 2

H.D. Cooke will not be starting any in-person learning on November 9th. At the moment we are awaiting guidance from DCPS on when in-person learning will begin. We will be sure to communicate to the entire Cooke family broadly as we learn more.

One thing remains the same, our number one priority is ensuring that your student(s) are accessing meaningful academic content and that they feel known, loved, and connected to our beautiful Cooke community.

Updated Contact Information

A reminder that if your phone number or email address needs to be updated, please make sure to contact the main office to provide the information (202-939-5390). This will ensure we have the most current information. As we continue to communicate any information to families it's important that we are able to connect with all families.

Updated Physicals and Oral Health Assessments

REQUIRED FOR IN-PERSON LEARNING -- Health physicals and oral health assessments are required annually. Medical forms must be turned in to the school as part of the enrollment process, and any updated forms throughout the school year should be submitted to the school. Students must have an up-to-date health assessment form on file with the school once in-person learning begins. This is the best time to ensure your student's health form is updated. Schedule an appointment with your doctor if your student needs a current physical.

Students will NOT be able to return to in-person learning without an updated health and immunization form on file.

You may call the school to find out if your student has an updated health form (202-939-5390) or you can email your current health form to Ms. Emma (emma.amaya@k12.dc.gov).

You can find all the forms by visiting: [School Health Requirements](#)

School Year 20-21 Dietary Accommodations

If your student requires dietary accommodation for the 2020-2021 school year, please complete the appropriate dietary accommodation form. Note that the form(s) must have all applicable sections completed for the form to be processed.

New accommodation forms must be completed each school year, each summer, and if your student moves to a different school during the school year.

Forms can be found [here](#).

Kids Ride Free

If you would like to request a new Kids Ride Free smartrip card, please contact the main office and we can have one ready for you to pick up. Next pickup date is **11/12**. You must contact the school to request one prior to picking up.

Breakfast and Lunch for Students (and Food Distribution)

Even though we will be starting the year with virtual instruction, DCPS remains committed to supporting our students with meal distribution during the pandemic. Ensuring access to nutritious meals means that students are set up for success and ready to learn.

Grocery sites are available throughout the District to provide fresh fruits, vegetables, and non-perishable groceries to families. Residents are encouraged to bring a cart and/or tote bag to transport groceries at home. Masks are required at the grocery sites. Grocery sites are open 10 am – 11:30 am (Friday's at CHEC).

The closest location to our school for breakfast/lunch and food distribution is Columbia Heights Education Campus (CHEC): 3101 16th St NW. You can find more locations by visiting: [Food Distribution](#)

Parent University

DCPS Parent University is a workshop series for families facilitated by the Communications and Engagement Office. Each session is designed to help families play their important role in supporting student learning and growth. The workshops are an opportunity for families to share strategies and learn new ones from each other and DCPS Central Office teams.
