Holiday Crafts with the Inner Core

We will meet to decorate our dough ornaments on that we made last week! Join the Inner Core teachers on Wednesday, December 16 at 1:15 pm! If you did not make one, it's not too late, include paper in your materials (or follow instructions below to make the dough ones the day before).

Materials:

You can choose items you like from this list or add your own

Acrylic or Tempera Paint with brushes

Markers, glue, tissue paper, glitter, or other small objects to glue onto the ornament

OPTIONAL: A clear coating spray, such as Rust-Oleum Painter's Touch Semi-Gloss Clear

If you missed our ornament making session last week, you can make your ornaments the day ahead by mixing together 1 cup of flour, 1 cup of salt and 1/2 cup of water. Form into a dough, roll out and cut out your ornament shapes. Place the ornaments onto a cookie sheet (optional but helpful if you have parchment paper on the cookie sheet) then put a hole into the top of each ornament, I used a chopstick to make the holes. Finally, bake them in a 200-degree oven for 3 hours.

families more insight into what occurs in the classroom, helping them become better equipped to support their child's strengths and areas of growth. *Term 1 report cards are now available in the Parent Portal.* Click [HERE](#) for information on how to access the portal.

Impact Aid Survey Forms

Each year, DCPS asks all families to complete the Impact Aid survey to generate additional federal funds for DCPS. This year, the survey has moved to an electronic format using the Seamless platform and will be open for completion from October 30th to December 22nd. All DCPS families should complete one survey per child, not household, in their preferred language and submit by Tuesday, December 22, 2020. To access the form click [HERE](#).

Updated Physicals and Oral Health Assessments

REQUIRED FOR IN-PERSON LEARNING -- Health physicals and oral health assessments are required annually. Medical forms must be turned in to the school as part of the enrollment process, and any updated forms throughout the school year should be submitted to the school. Students must have an up-to-date health assessment form on file with the school once in-person learning begins. This is the best time to ensure your student's health form is updated. Schedule an appointment with your doctor if you student needs a current physical.

Students will NOT be able to return to in-person learning without an updated health and immunization form on file.

You may call the school to find out if your student has an updated health form (202-939-5390) or you can email your current health form to Ms. Emma (emma.amaya@k12.dc.gov).

You can find all the forms by visiting: [School Health Requirements](#)

School Year 20-21 Dietary Accommodations

If your student requires dietary accommodation for the 2020-2021 school year, please complete the appropriate dietary accommodation form. Note that the form(s) must have all applicable sections completed for the form to be processed.

New accommodation forms must be completed each school year, each summer, and if your student moves to a different school during the school year.

Forms can be found [here](#).

Breakfast and Lunch for Students (and Food Distribution)

Even though we will be starting the year with virtual instruction, DCPS remains committed to supporting our students with meal distribution during the pandemic. Ensuring access to nutritious meals means that students are set up for success and ready to learn.

Grocery sites are available throughout the District to provide fresh fruits, vegetables, and non-perishable groceries to families. Residents are encouraged to bring a cart and/or tote bag to transport groceries at home. Masks are required at the grocery sites. Grocery sites are open 10 am – 11:30 am (Friday's at CHEC).

The closest location to our school for breakfast/lunch and food distribution is Columbia Heights Education Campus (CHEC): 3101 16th St NW. You can find more locations by visiting: [Food Distribution](#)
